

## Robin Fogarty Designed and Delivered Professional Development

### Ten Fail-Safe Strategies to Engage Students

Great teachers engage students with challenges in meaningful, rich and rigorous tasks that deepen learning. The hallmark of these teachers is that they understand the difference between teaching and learning; that their job is to teach and the job of students, is to learn. In fact, these teachers might be heard saying "I cannot learn it for you", and they are absolutely right.

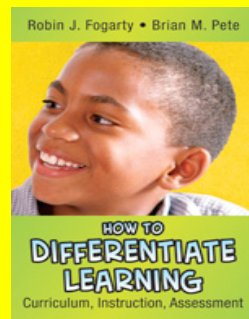

Using 10 fail-safe strategies, learn to trust the learner to learn. Be part of the teaching team that experiences teaching in ways that students can learn, without being taught. Learn how to engage students with the relevance of interaction, involvement and inspiration.

This session introduces ten strategies for classroom instruction that are research-based, teacher-friendly, and applicable K12. They embrace the principles of collaboration, inquiry, literacy and learning, not for the test, but for the test of life.

#### Ten Fail-Safe Strategies

- 1 Tell and ReTell-3 Musketeers
- 2 Vocabulary Builder-AB Pyramid Game
- 3 Organized Chaos-ABC Graffiti

*How to Differentiate  
 Curriculum, Instruction and Assessment*  
 @ \$20.95/each

#### Robin Fogarty talks about what she loves . . .

*"Professional Development (PD) includes an entire array of models for school staff that include: seminars, books studies, workshops and trainings. PD by Robin Fogarty & Associates is specifically designed and delivered by experts in a field of curriculum development, instructional strategies and assessment techniques. The PD focus is on in-depth learning for school improvement. The goal is to deliver PD that transfers, directly and immediately from "the staff room to the classroom" for teachers, mentors, academic coaches and school leadership.*

#### **RFA Professional Development Benefits:**
